Dear Elizabeth; — Just rec'd your letter and check enclosed (guess our letters must have crossed.) Glad you thought your Book was O. K. The book I sent you, was compliments of the Co. Sec. and the Printer. He gave me a few extra copies and since Esther was away on vacation with husband, — that you would like to get a copy right away — (I remembered you wanted a long time before receiving your last Book last year.) Beautiful weather here — B. B.
